Well done to the Lennox group for becoming the winners of Digital Day. The day was very well received. Using ICT to participate creatively in the day’s activities was a real eye opener.

A huge celebration was enjoyed by all following the awards ceremony.

Education Links would like to say a special thanks to Sam Munroe for baking some lovely cakes for all to enjoy, and Alex Davies for all of her support and hard work.

“Go Campbell Group!”

Well done to the Campbell group for winning the Puzzle Day trophy for the Summer term 2016.

Well done to the Lennox group for winning the Puzzle Day trophy for the Summer term 2016.

We all enjoyed a lovely barbecue and well deserved ice cream.

We are the champions!

Well done to our Jack Petchey award winners this year!

Cash prizes of £250 for each of our young, Jack Petchey Achievement Award winners and £750 for Jack Petchey’s Leader Award Grant are to be used to fund educational trips and buy valuable resources and equipment.

The month of October celebrates Black History Month.

Education Links have produced some spectacular work around the civil rights movement, and Education Links’ Petchey group students have produced artwork based on the civil rights leader Dr. Martin Luther King Jr.

Next year we hope to introduce more exciting events around black history including watching classic films and an international foods taster day.

Education Links would like to say a big thank you to our winners for enriching the lives of all our young people.

Jack Petchey Achievement Award elections are now taking place for this academic year.

Good Luck!

Sports Day 2016

Education Links had our sports day on one of the hottest days in our history. Despite the sweltering heat, the young people and staff took part in many fun and physical activities.

Lennox group, the returning champions, triumphed again. Making them the group to watch out for and the ones to beat at this years games to be held at Flanders Field, East Ham.

We all enjoyed a lovely barbecue and well deserved ice cream.
